**2006 NW 65<sup>th</sup> Street**  
**Seattle 98117**

**Our relationship:** We have rented performance space at Ballard First Lutheran Church for many years. The facility is conveniently located for our members and typical audience.

**Our contact:** Cindy Jackson, receptionist (206)784-1306, office@bflcs.org

**Costs:** We pay deeply discounted fees to use the facility for concerts and to have access for associated dress rehearsals.

**Parking:** The facility has a small parking lot we try to reserve for mobility limited members, our choral director, and members/volunteers carrying large or bulky items. Free street parking is available in the immediate area.

**Entry:** We coordinate with the facility office to arrange entry for rehearsals and performances. It is critical that we collect our belongings and secure the facility when we leave.

**Special Notes:** As a courtesy to Ballard First Lutheran, we may offer to have the facility's pianos tuned before concerts where we will have heavy use of the piano. Robert Samuelson is the tuner we contact. (206)325-1752.
